GROSSE POINTE FARMS, MICHIGAN 48236

RICHARD H. "DICK" BEACH

RICHARD H. "DICK" BEACH has been a Kiwanian for the past 35 years. During this time he has served as President of his local club and as a member of the Board of Directors for 20 years. He has supported his club as chairman of many committees and by attending numerous international conventions.

DICK BEACH organized the first Key Club in Grosse Pointe South High School 17 years ago and is still its faculty advisor. In light of these accomplishments, it is understandable why he was voted the year's Distinguished Kiwanian of the Grosse Pointe area three times -- most recently in 1980.

DICK BEACH is past president of the Jaycees and a recipient of the Gold Key. He holds a bachelor and masters degree and has completed work for his doctorate. He has worked in Michigan Public Schools as a superintendent, principal, coach and counselor and was voted outstanding educator of Wayne County in 1970.

Through his civic, Catholic charity and school related work, RICHARD H. "DICK" BEACH lives the motto of Kiwanis International to the benefit of his Grosse Pointe chapter and his community.
