JOHN F. BEYER

It is with great pride that the Kiwanis Club of Detroit - Riverside honors John F. Beyer in the Kiwanis of Michigan Foundation Honor Book.

Jack has been a Kiwanian for 54 years with 52 years perfect attendance. He became a charter member of the former Detroit - Northeast Club on Feb. 29, 1928. This club later became the Detroit - Northeast Burbank Club but later dissolved with most members coming to Detroit - Riverside.

He was club president of Detroit - Northeast in 1941 and in 1953 served the Michigan District as Lt. Governor. Jack also belongs to the Kiwanis Legion of Honor and is a Life Member of Kiwanis International.

Jack has been in the heating and cooling business in the Detroit metropolitan area since 1920 starting in the coal business. He is widely known in his area of profession.

In addition to Kiwanis activities, Jack is very active in Detroit Masonry and among his honors he is Life Member of the Acacia Lodge #477, Detroit, Detroit Commandry #1, the Moslem Shrine, the Royal Order of Jesters and is in Composite Chapter 178.

Jack's lovely wife, Beatrice, passed away last year but he has two fine sons, Robert and John, Jr., who are a great source of joy to him. Jack belongs to the Zion United Methodist Church in Detroit.

It is a privilege for this club to recognize this fine gentleman who has done so much for Kiwanis, his profession, church and community.
