THE MICHIGAN DISTRICT OF KIWANIS INTERNATIONAL

DR. ARNOLD F. SARYA

The seemingly inevitable has happened to Arne Sarya. He has become an illustrious Kiwanian, not overnight, but over a period of 23 dedicated years. He is still going strong.

His love affair with Kiwanis must certainly have been inspired by his love of God, country and family, a rich tradition in his upbringing. It is not surprising then that Kiwanis precepts harmonized with his own and led him to his destined pathway of service to others.

Dr. Sarya uses these same precepts in his profession by sharing love and consideration for countless patients and friends in his orthodontic practice in Traverse City. He has earned some of the highest honors in his profession by ably serving his beloved University of Michigan on the Board of Governors in the School of Dentistry. He is a past President and member of the Michigan Society of Orthodontists.

Perhaps his equally great achievements lie in his service to his community and church. Some, but by no means all, of his involvements centered around youth. He built an ice arena for kids to skate and play hockey; a sport he loves and coached. He helped raise funds for a community pool. He served on the Youth for Christ Board and was a founding member of his local Junior Achievement Board. He belonged to the Fellowship of Christian Athletes and has received numerous awards in recognition for his community work over 25 years. In his church he served as Council President, a council member for 12 years, and still had time to belong to the Gideons International, teach Sunday School and give many lay talks.

Arne was born in 1934 in Allouez, MI and grew up in Detroit. In Sept., 1955 he married Connie; a wonderful, loving helpmate. They have six children--two daughters and four sons. One of his daughters, Ann, is a Past Lt. Governor of Circle K in Baltimore, MD.

In addition to all of his numerous activities and devotion to family, Arne has managed to always have time for Kiwanis. He served on most club committees, as a Board Member, Club President (1968) and has achieved perfect attendance over 23 years. He has served the District as Lt. Governor (1978-79), Chairman of Youth Services (1979-80), Major Emphasis (1979-80) and Builders Club (1980-81), and has served diligently as Governor of the Michigan District (1982-83).

Little wonder, then, that we--his friends and associates on the (1982-83) Lt. Governors Board - having observed his energy and love and concerns for his fellow-man, are proud and cannot help but honor him with the enviable designation of distinguished Kiwanian of the Michigan District of Kiwanis International for the year 1983, an award richly deserved.
