THE MICHIGAN DISTRICT OF KIWANIS INTERNATIONAL

LEONARD W. GORDON

GOVERNOR - MICHIGAN DISTRICT OF KIWANIS
1983 - 1984

Len Gordon is best characterized as a gentle man, concerned for the health and happiness of those around him, and always able to see the bright side of any situation. His strong family ties are a testament to his nature.

Kiwanis is suited for Len and Len for Kiwanis. He began his Kiwanis career by joining the East Lansing Kiwanis Club in January of 1970. Perfect attendance and serving in all of the club's offices as well as committees speaks about his commitment. Len has gone on to serve the Michigan District through several committee assignments, some special assignments, and then began his rise through the officer positions leading to Governor.

Len served as Lt. Governor of Division 15 East in 1978-79. He earned both titles of Distinguished Club President and Distinguished Lt. Governor. Then in 1982-83 Len became Governor-Elect and now serves as Governor of the Michigan District in this 1983-84 Kiwanis administrative year.

Perhaps the best memories that he has regrading Kiwanis rest with his contacts with Key Club and Circle K. Both Len and Bettie have attended Kiwanis International & District Conventions faithfully. In addition, they have been faithful to the Circle K and Key Club by attending their conventions for many years. They speak of these youth as part of the family, and many of the Circle K members do truly consider Len and Bettie as their parents away from home.

Len was an independent insurance agent for many years, having retired just last October, turning the management of the business over to Len Jr. When he is not involved in Kiwanis, Len enjoys gardening, bowling and golf. The hobbies have been on hold this year while he has devoted full time to serving as your Governor.

With a deep felt love and respect for this special friend, the 1983-84 Class of Lt. Governors names Leonard W. Gordon as a "Distinguished Kiwanian", placing his picture among the many others so honored.
