## Resolution To Honor Will Alford

Will became a member of the Kiwanis Club of Livonia Early Risers in August 2007 and served as club President three times: 2008-2009, 2009-2010, and 2012-2013.

In addition, Will has been the club's fund raising chairman since joining, and his success at ensuring the club's participation at Texas Hold 'Em poker tournaments has, in large part, provided for numerous college scholarships and laptops to deserving students in Livonia. He also participated successfully with other Community Service Organizations to counter efforts by the Michigan State Gaming Commission to limit the various clubs fund raising efforts on behalf of the Casino's in the Detroit Metropolitan area.

In 2011, Will convinced the club to seek 501c(3) status in order to further enhance its fund raising abilities and, accordingly, he has spent countless hours shepherding the process which is in the final stages of completion.

Will has provided great leadership and enabled the club to continuously increase its presence and level of service to the Livonia community. He has also established a close working relationship with Clarenceville High School which frequently sends students to Key Leader and Law Enforcement Career Academy programs.

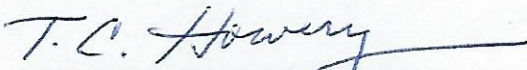

And last, but not least, Will has shown strong appreciation, respect, and support for the Michigan Foundation and the many valuable services it so effectively provides to hospitalized children and their families.

Therefore, **Be It Resolved**, that, in recognition of his outstanding achievements and heartfelt appreciation and attachment for the services provided by the Kiwanis of Michigan Foundation, it is indeed an honor for the Kiwanis Club of Livonia Early Risers to designate Will Alford as a Distinguished Kiwanian of the Michigan District of Kiwanis International.

**Be It Further Resolved**, that on this third day of February 2015, the Livonia Early Risers does tender to its member sincere congratulations and extends the fond hope that the future will be filled with good health and happiness and,

**Be It Finally Resolved**, that this resolution be spread at length on the proceedings of this day's minutes as evidence of our esteem and appreciation.
