

Peggy McNichol

Frank G. Staiger Distinguished Kiwanian Award
Kiwanis of South Lansing
September 25, 2016
Peggy McNichol

Peggy McNichol, since joining South Lansing Kiwanis Club in 2008, has been an enthusiastic Kiwanian, sharing enthusiasm for Kiwanis both through her CPA business and community connections as well as within Kiwanis. This has included advocacy for needs of children in our community and beyond. She is usually one of the first to volunteer to help if made aware of such a need.

As Kiwanians we are often greeted with enthusiasm by Peggy whether at our club meeting or at another Kiwanis Club event. Peggy often steps up to get a necessary task done with enthusiasm that is contagious and encourages others to participate. Her readiness to affirm other people's contributions to club and community encourages all of us to be better at doing what we do.

Peggy has held several offices within the South Lansing Kiwanis Club, including secretary and treasurer, as well as representing our club at district and international conventions. In addition, she has served as an active member and past president of the South Lansing Business Association, treasurer of the R. J. Scheffel Memorial Toy Project and former board member of the Friends of Lansing Parks. She is an enthusiastic supporter of the Kiwanis of Michigan Foundation for which she is willing to share from her family's personal experiences with grandson's hospitalization. She readily accepted the position of KMF treasurer when none of the current trustees felt qualified to do so. So it is with great pleasure that I present to Peggy McNichol the Frank G. Staiger Distinguished Kiwanian Award.

■ Margery Schleicher, Division 16 Trustee, Kiwanis of Michigan Foundation
