The Kiwanis Club of Warren, joined by many Trustees in the Kiwanis Michigan District Foundation, is proud to honor BRIAN E. CRABTREE with the Frank O. Staiger Distinguished Kiwanian Award.

Brian joined the Warren Kiwanis Club over 25 years ago. He served as President in 1997-1998. He has been busy being a Director, Committee Chairs, Treasurer and Secretary for many years. He has constantly been on our Board of Directors. I will never forget, when I was Secretary, being encouraged to start a Key Club at Bishop Foley in Madison Heights. I said that I just didn't have the time. Brian stepped up and said that if I would start it, and be the Kiwanis Advisor, he would take over the Secretary's duties. Because of that, those Key Clubbers have received over \$30,000.00 in scholarships, plus they learned leadership skills and the joy of service.

On the District level, Brian has attended many, many Spring Divisionals, District Conventions/Service Leadership Conferences, and International Conventions. After completing the year for a Lt. Governor who resigned, he continued on for 2 years. And impressively, Brian has been our Trustee on the Kiwanis of Michigan Foundation Board for many years. He was the Treasurer for several years. He made sure that our Division always met 100% of its yearly goal.

Brian spent 12 years, many as Treasurer; on the Macomb County Habitat for Humanity's Board of Directors. He's the Treasurer of the Warren Kiwanis Foundation. Our Club has honored him with the George F. Hixson and the J.D. Alexander Awards. With a unanimous, secret vote of our Club, it's with great pride and applause that the Warren Kiwanis Club presents the Frank O. Staiger Distinguished Kiwanian Award to Brian E. Crabtree.

Sincerely,

Wally Bieber
Warren Kiwanis President Elect
Warren Kiwanis Foundation Secretary
