WHY JOIN KIWANIS?

FUN FACT:

The average Kiwanian impacts the lives of 106 children.

Community Service

Through service projects and programs, Elyria Kiwanis members improve their local community. The Kiwanis Club of Elyria supported the capital campaigns of the Elyria City School District and the Elyria Public Library System, has sponsored Safety Town for over 60 years, encourages third grade literacy through our Read/Write/Ride contest, offers college scholarships to local high school students, and collaborates with other community organizations.

Networking and Socializing

Kids need adults who care. That's why people join Kiwanis clubs. They are local groups of like-minded volunteers who make a difference. Friends. Neighbors. Anyone who loves serving together to change children's lives. We enjoy working and socializing together. Membership also provides an opportunity to network with community leaders.

FUN FACT:

We are part of Kiwanis International, a global volunteer organization that annually raises almost \$340 million and dedicates more than 7.3 million hours to help children.

FUN FACT:

Since the first Key Club was founded in 1925, millions of SLP members have learned leadership skills through service and volunteerism.

Growing Leaders Through Service Leadership Programs

The Kiwanis family includes members of all ages and abilities. The Kiwanis Club of Elyria sponsors Builders Club (middle school) and Key Club (high school) Service Leadership Programs for students to discover their passion to serve, their desire to lead, and their ability to engage and collaborate with each other.
