"Who" is Kiwanis and what is our Impact?

Kiwanis clubs and members conduct service projects. They hold fundraisers. They donate to the Kiwanis Children's Fund and scholarship programs. They change children's lives in their own communities and through international initiatives — helping young people develop mentally, physically and emotionally.

Every year, Kiwanis members stage more than 150,000 service projects, devote more than six million hours of service and raise nearly US\$100 million for children, families and communities around the world. Kiwanis club projects are based on community needs. We build playgrounds, purchase medical equipment, run foodbanks, develop youth leadership, restock libraries and much more.

Message from Lieutenant Governor Angela Vieth:

Dear KW Kiwanis Club Members,

I am pleased to share an update from our recent Divisional Caucus meeting, held on Saturday, January 25, from 10:00 AM to 12:00 PM in Waterloo. This was the second meeting of my term as Lieutenant Governor for Division 5, and I'm happy to report that seven of our eight clubs were represented. These meetings, which are required by the Eastern Canada and Caribbean District, serve as a vital opportunity for clubs to

1. Regular Meetings

At our Board and club meetings we get together for fellowship and planning. Prospective members are welcome to attend. The meetings are free (except there is no free lunch !) and once a month we host expert guest speakers to discuss a wide range of topics that give us insight and inspiration to carry over into our activities and projects. Board meetings are currently held at 5:00 pm on the first Tuesday of the month at the Westmount Golf Club in Waterloo. Check our calendar for other (evening) meeting times or contact our membership chair to confirm time and place at kwkiwanisclub@gmail.com.

Dec. 17 A festive K-W Kiwanis holiday dinner was held at Concordia Club in Kitchener.
