

Message From The Lt. Governor

Gail Cirata

Hi everyone,

What an incredible day was had at the Governor's Visit on Saturday, May 13th!

So many Members and Key Club Leaders contributed to making it a very beautiful event under the tents—we went from worrying about the Rain to a 95 Degree Day—next year...Huge Fans!

Laird was a wonderful MC, Caren did lovely centerpieces, Brett and his Crew Lifted Tents, Tables, Chairs, Tablecloths, and Current and Previous Lt. Governor's did a bunch of Shopping, Organizing & Reorganizing—by the end of the day were pretty much worn out—and very sweaty!

Clubs presented their Dunlap, Distinguished Service, Youth Service Awards along with a very Special Award to the Diversity & Equity Team that will soon be presenting at our upcoming International Convention in Minneapolis!

Bruce Mercado, our Key Club Region Advisor extraordinaire presented a number of the awards that were given at the recent DCON. The new Key Club Lt. Governor's for Division 44 are Lily Yan - North; Enya Wong - South; Jennifer Li - West, gave us updates on their goals for the coming year. Also elected as Key Club District Governor 2023-2024 was our very own Justin Kuo! Go Key Club Leaders—you are amazing—we are so proud of you and will do our very best to support you!

Message From The Lt. Governor (Continued)

Cal-Nevo-Ha District Governor Dr. Valarie Brown-Klingelhoef's message showed what an extraordinary leader she is. Doing her work with love, caring and wisdom was a true inspirational message to everyone. She even mentioned that our meeting with the Presidents was the best one she is experienced... She and First Mate, Andy, were treated to a great dinner at Joe's Crab Shack the previous night with your Lt. Governor's as well as a private tour of the Kiwanis Family House with Executive Director, Paula Kelley. I am sure they both left with a very positive memory of our fabulous Region 16!

Over the past couple of months, we have enjoyed rousing DCM's with Hero Awards given to John Fukasawa (Folsom Lake), Chris Creelman (Sac Suburban) and Al Schafer (Gold Country). Memorium Awards to Ken Tokutomi (Auburn), Bob Tutton (Auburn), Patricia "Trish" Koszalka Placerville), Leonard Walker (Roseville), Bert Barker (Roseville), and Rick Swyer (Sac Suburban)... and a very Special Shout Out Award to Greg Nichols (Gold Country).

We have had updates on the Presidents Club and Secretaries Club Meetings at the DCM's... you all are doing a great job with lots of support between and within each club... I receive Lot of Kudo's about you, but the truth is it is you who deserve all the accolades!

Paula Kelley, Executive Director of the Kiwanis Family House gave us an update on the contributions from the Big Day of Giving... almost \$90,000 raised! Incredible! Thank you everyone that participated. You are generous beyond all measure...

Next up is the wildly anticipated International Convention in Minneapolis, June 21-25, 2023. www.Kiwanis.org/Convention/2023-Convention, there is still time to sign up... If you are not able to attend, we will give you the low down when we return!

One new bit of news is that Governor Val made an announcement that the Kiwanis Literacy Club of California has asked me to join their very special Board of Directors. I am so pleased and humbled to be able to join their journey to help provide books to all children that are in need. Perhaps that will benefit all of our clubs over the coming years.

My very best to each and every one of you. Your devoted service to the children in our communities is noticed and deeply appreciated.

Gail

Remembering Rick Dwyer, 3/19/37 – 2/21/23 RIP

Longtime member Rick Dwyer passed away on February 21st after a lengthy illness. He is survived by wife Marge and four children: Carolyn, Leslie, William P. IV (who knew Rick was William P. III ?) and Sheila. Rick was born in S.F. but raised in Sacramento, graduating from Christian Bros. High School.

Rick was a Navy veteran, real estate broker, business acquisition consultant and GREAT KIWANIAN. He joined Suburban in May of 1991 and served as president during the 1995-96 year. For years, he helped our yearly crab feed be the huge financial success that it was. As the Crab Boss, he would estimate the amount of crab needed, purchase it at lowest available price, ensure its delivery freshly packed in ice, and then manage the "spirited" Crab Crew, making sure the crab was dished up and ready to be continually delivered by the table servers.

Rick was also a strong proponent of the Kiwanis Family House, serving on the Board of Directors for many years. Many KFH old-timers say that we wouldn't have the current outstanding House we have without Rick. With his expertise in commercial real estate and lending, he was able to secure the loan with less funding than was available and to get construction started, and he then worked his finance magic to get it completed. He should be on top of the KFH HOF.

Many funny and heart-felt stories were shared at his Celebration of Life on Friday March 17th. Because of various snafu's, the obituary, noting the celebration, was not published until Wed. 3/15. Luckily, Mr. McKelligon saw it and alerted the club at our meeting that day. Suburban members Finns, Johnson, McKelligon, Borowski, Casey, and Creelman were able to attend. In addition, Kiwanians Gary Christensen from East Sac and Jack Siegal from Rancho Murieta, (who both served with Rick at KFH) were also there. Rick was a man of many talents who will be greatly missed by our club, KFH, and the many other non-profits to which he lent those talents over the years. I'll never forget that gravelly laugh. Loved ya, Rick, Creelman.

Creelman-Francisco Memorial Golf Classic

Alright, I survived. It was a great HOT day at 92 degrees but actually better than the normal windy cool days. We had 68 paid golfers and 80+ for steak dinner. Suburban, as always, helped out in every way. Thank You! It wouldn't happen without you. I haven't added everything up yet, but we should have \$8-10K for KFH... and yeah, the Creelman group won the Scramble.

Another Creelman-Francisco is in the can, and I have lots of "THANKS" to express.

- Thanks to the Club/Board for sponsoring a Tee Sign and allowing the Club to act as the "bank".
- Thanks to members who purchased Tee Signs: **Jim McKelligon, Donna Gordon, Rich Kocher, the Wunschel Family, the Lagomarsinos and Estelle Holway.**
- Thanks to **Donna, Caren, Bernie,** and especially **Sharon** for providing raffle prizes and or producing gift baskets for the raffle. (**Sharon** produced six different themed baskets.)
- Thanks to **Cody and Nancy Wunschel** for doing a great job checking in all the players.
- Thanks to **Bernie and Lt. Gov. Gail** for "womaning" #14, Suburban's "Fun Raising Hole." They snared over \$100.
- Thanks to the golfers and the guests they invited: **Tom, Fred, Tony, Jim W. and Cody.**
- Thanks to my Team for playing so well and making the day a lot of fun and worth all the work and stress before and after: Son/Member **Cody**, Step Son-In-Law George Smith, and honorary "Creelman" Eric "The Commish" Mayer.
- Finally, thanks in advance to Treasurer **Jim Johnson** for dealing with all my envelopes and handling the accounting for the tournament.
- Thank You all, I couldn't do it without you.

Cowan Kiwanis K Kids Club

At the March 23 meeting, the club did an exercise to determine their “passion” and began plans for an end-of-school-year drive for “Homeless Needs” (socks, underwear, sanitary items, etc.). They will organize and facilitate the drive for all students at Cowan Elementary.

K-Kids Drive for Supplies for F.A.C.E.

*Our K-Kids Club at Cowan Fundamental School is starting a drive to collect some of the supplies identified as community needs for the FACE Mobile (Family and Community Engagement). As you know, the FACE Mobile travels around communities in the San Juan school district providing resources directly to families. **The kids will have a drive at school to collect socks, underwear, and art supplies which will go on the mobile.** Of course, all items must be new in packages. Sizes are needed for all school-age children. The drive starts May 1st and runs through May 22nd. We ask that Kiwanians from our club support this drive by contributing these items or cash donations (we will purchase). We will have a box at each of our upcoming club meetings. This is a wonderful way to support our Kiwanis family, including our K-Kids Club and SJUSD.*

Kiwanis One Day Project

On April 1st, G.C. Kiwanis helped the Gold Country Senior Center get ready for their upcoming Open House. There has not been a Senior Center in the county in decades and this is a very welcomed addition to our community. Kiwanians, along with other community organizations, washed down walls, spackled holes, and prepped the areas for paint.

"Gold Country Community Senior Center provides programs and services for community seniors and their families. Their vision is to create a "Hub" which provides access to services, resources, activities and healthy nutrition. In opening a Community Senior Center, Gold Country Senior Services is widening its mission beyond its current Nutrition Program to build a relevant, vibrant, and multigenerational place for community seniors. The center will be open to the entire Nevada County community. "

Easter Egg Hunt

With the assistance of the Mesa Verde Key Club, we held our annual Easter Egg Hunt on Saturday, April 8, from 9:30 to noon at Rusch Park. Our Signature Project is a free community event that we have conducted for over 30 years. There were egg hunts for children three age groups from 4 to 12, a DJ, face painting, sack races, a tug-o-war, fishing booths, and special appearances by the Easter Bunny and the Citrus Heights Police and Fire Departments.

My apologies for no photos: Tom Steadman made and set up the fishing booths, which the Mesa Verde Key Club painted, and Ben Middleton brought coffee to the early morning set-up crew.

Judee, Linda M and Donna welcomed Victoria Rochester, Edith Gonzalez, Natalia Aguirre-Mazzi, Maria Godoy (and one other) who run the food distribution through the McKinny-Vento program for SJUSD. We presented a check from Youth Services for \$400, and they discussed how San Juan's food for families is a model for other districts. We learned that Edith Gonzalez, who has been a positive force for this project for years, will be leaving after today for a new job with the Catholic Diocese. Linda M made her a card and read it, and Judee had a nice live plant as a gift. Those of us who have worked with Edith, as well as her co-workers, will miss her high energy and joyous spirit she brings to the job!

Sheba, from YCPO made a presentation to Natalia for the FACE (Family and Community Engagement) Mobile van, including activity book kits (put together by Nan), car seat stickers, sketch books. As we learned during their recent meeting program, FACE brings services and resources to families by going out to meet them using the mobile van.

Sheba, representing YCPO, provided funds for diapers to be available at the Sunrise Food Ministry food closet, Carmichael Presbyterian Food Closet, and the ARC Food Pantry. Brenda gave thanks for this and told us that the food closet opens every Thursday evening to provide food to families, as well as the regular days and times they are open., including activity book kits (put together by Nan), car seat stickers, sketch books. As we learned during their recent meeting program, FACE brings services and resources to families by going out to meet them using the mobile van.

*Can you feel spring coming just around the corner? It will arrive and so will Selma Blair, **Rancho Murieta Key Club** President, to Columbia University this fall. She applied for early decision and was accepted. She will be majoring in chemical engineering. Join me in sending her best wishes for her future. We know she will be a success. You can also send a big thank you to the **Rancho Murieta Key Club** for all of its help at the Easter Egg Hunt and Picnic April 8, 2023. Its participation was critical. Many also participated in March by stuffing eggs. In total 4,500 eggs were stuffed by a variety of local school groups. The final weeks of the 2022-2023 school year are fast approaching. Many key clubbers are reflecting on this year's progress and achievements.*

***Pleasant Grove Key Club** is planning an end of the year banquet, The Monster Met Gala, with full glamor via formal wear as an appropriate way to send goodbye. **Pleasant Grove Key Club** would like to shine a spotlight on Diana Torres. As a freshman she found the key club to be very inspirational and loud especially at spirit sessions. Such enthusiasm has encouraged her to be involved.*

***Sheldon Key Club's** March Monster Market Event was a success. It was an opportunity for people to share creative talents such as sweets, handmade toys, jewelry and crochet items for sale. Final goodbyes were conveyed in this months Monster Editorial by Division 7 South Lieutenant Governor, Katelynn Evans. She notes that the division goals of 16,000 served and \$6,000 raised were accomplished! Although many will soon depart, the memories will be cherished. New opportunities will soon arise.*

On May 21st, our Kiwanis Club will be 27 years old. Our club received its charter from Kiwanis International on May 21, 1996. Our Key Number is 14953.

The first Kiwanis Club is the Kiwanis Club of Detroit, Michigan. Its Key Number is 00001. So this means our club was the 14,953th chartered. This does not mean all of the numbered clubs are still in operation. In fact in checking with Kiwanis International as of the last certified count April 1, 2022, there are 6,841 clubs.

Of the 36 charter members, today there are two active members. They are: Pamela Haines and Susan Sozzi.

Kiwanis Club of Lincoln Foothills Placer Food Bank - April 26, 2023

Contributed By Marta Holm

15 KCOLF members volunteered on April 26 at the Placer Foodbank. Working in groups of 3-4 we bagged Apples, Onions, Potatoes, and Carrots. We always have great fun, moving around to 60s Bebop Music. We were happy to see new members Donna Lange and Karen Goeman and returning members Liz and Don Noel with there son Scott. This is such a meaningful two hours knowing that the bags of produce are going to friends in the community who need some assistance. Our next volunteer day is June 28. Please join us.

Carlin C. Coppin Elementary School

Contributed By Frank Covey

K-Kids Members and the Board of the K-Kids of C.C. Coppin Elementary School are happy to celebrate a successful year of service projects and Fundraising.

This April the K-Kids focused on kindness building in their school. The K-Kids created a Kindness Poem:

*“I can be kind everyday
 In everything I do and say
 If I am kind to everyone
 My heart will be full
 So I say to myself
 Remember this
 Kindness begins with me”.*

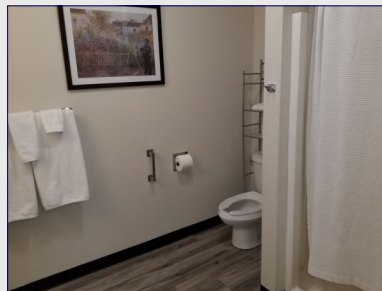

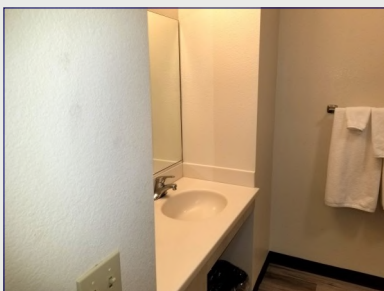

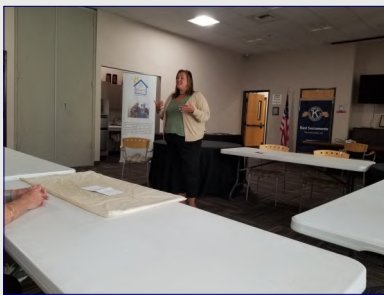

The K-Kids also built a “Kindness River” of rock on the C.C. Coppin school campus, to show that “kindness flows from me to you”. Carol Judd supervised.

Kiwanis Objects

Contributed By Michael Luciano

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Kiwanis International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.*
- To encourage the daily living of the Golden Rule in all human relationships.*
- To promote the adoption and the application of higher social, business and professional standards.*
- To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.*
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.*
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill.*

Division Inter-Club Meetings

Contributed By Michael Luciano

Inter-Club: An inter-club meeting is a meeting or activity staged by two or more Kiwanis family clubs including Division Council Meetings, Kiwanis Club, Circle K, Key Club, Builders Club, K-Kids, Aktion Club, Conferences & Conventions.

The definition of an inter-club was expanded from simply attending another Kiwanis club meeting to include attending **Fundraisers, Projects, Activities and Social Events of another K-Family Club.**

The broadened definition promotes more opportunities for fellowship, education and encourages greater interaction between **Kiwanis Clubs and our Service Leadership Programs:**

- **Clubs with 20 or Fewer Members need a minimum of two members in attendance to constitute an Inter-Club Meeting.**
- **Clubs with 21-30 of three members need a minimum of three members attendance to constitute an Inter-Club Meeting.**
- **Clubs with 31 or More Members need a minimum of four members in attendance to constitute an Inter-Club Meeting.**

Visiting groups shall be composed of a minimum of two Kiwanians plus members of K-Kids, Builders Club, Aktion Club, Circle K, or Key Club must be in attendance. A Lieutenant Governor can only be included if they are a member of the participating club.

Inter-Clubbing is a means of supporting **Kiwanis' Fifth Object**, which is **"To provide, through this club, a practical means to form enduring friendships, to render altruistic service, and to build a better community"**.

Through the fellowship gained by inter-club activities, members learn how other clubs function, get to know their neighboring Kiwanians, develop new ideas and a broader interest in how Kiwanis operates, find new ideas for use in their own club, and become better Kiwanians.

Inter-Clubbing creates fun and strong fellowship.
