

Message From The Lt. Governor

Gail Cirata

Hi All,

As I write this, we have 33 days left to accomplish great things before we get to pass the baton (although some will be passing it to themselves) so try to do your very best—I know that you will!

Just to catch you up: The Summer Leadership Summit was very successful—those that attended have a leg up on how to keep our clubs at the top or our game! And we also have a line of succession with our Lt Governor as Brian McLean was voted in as incoming Lt Gov for 2024-2025...Whoo Hoo...has that ever happened in our division before???

On Aug. 5th Charlayne and I hosted the current Presidents and the incoming Presidents at our joint President's Club/Council at Charlayne & Robert's Heritage Park Clubhouse....the perfect venue & boy does Charlayne know how to charm everyone with her hostess skills! Everyone introduced themselves and did quite a bit of kibitzing! We also spent some time discussing our division taking on Child Trafficking as the community project that we have been looking for this entire year...with Gov Valarie's guidance we are moving forward with this at a very rapid pace... more to come in the next few weeks!

Message From The Lt. Governor (Continued)

The Cal-Nev-Ha District Convention was a smashing success in Sparks August 10th – 12th... The Art Tour was incredible (go to the Generator if you ever get the chance), the President's Council meeting (spawned from our own President's Club) was enormously successful (Gov Val said that at least 12 other clubs have formed their own President's Clubs), the seminars were brilliant, our Friday night dinner which Michelle Sammons organized was way fun, all the prizes that I was in charge of picking up for our own Michael Luciano are gorgeous, the voting went very easily (not always the case...), the installation ceremony was very well done: I had the distinct pleasure of walking Charlayne across the stage...she performed brilliantly...

On Monday, August 28th, we voted Dan Germain in as our new Region 16 Trustee. He will do a fabulous job— Congratulations Dan! Laird has been one of the best that I have ever experienced, and I know that all of us thank him for his devoted service.

That same evening Gov Val joined Bob Verzello, myself and others to introduce a brand-new club: The Kiwanis Star Club... (S=sex, T=trafficking, A=awareness, R=resource). This is a very challenging endeavor that will have a singular focus that I believe will bring more people into our clubs that want to keep children safe and free from harm. It is not intended to take anything away from our current projects, but it affects every single community, and we want to help with this challenging issue. More to come.

As this will be my last Lt Gov's newsletter, I want to take a minute to say how very much I have enjoyed working with each and every one of you. I am so proud of you that you have faced every challenge and chosen to move forward with every job you have taken on. It is because of you that we have created the new President's, Secretary's, Treasurer's Clubs and now the Social Media Club—adding support, information, and connections...Thank You all for your devoted service...

My Very Warmest Regards...

Gail, Lt. Governor 2022-2023

Bradley Miller, Edward and Katie Escajeda, Bill and Gale Hooper, Jim Putnam, Cindy MacCormack, and President Ben Middleton attended the District Convention in August. (Well. . .actually...Ben wasn't free to go to Sparks, so his kidnapped gavel made the trip. In the first photo, he is waiting to check in at the hotel. If you look closely, you can also see him checking out some of the displays, meeting new people, and hanging out with friends in Division 44.)

On August 17, Bradley Miller and Katie Escajeda presented 300 books to Arlington Heights Elementary School.

Veronica Hunter and Amanda Subia served burgers at the National Night Out on August 1 in Bar C Park.

Key Club Takeover

We had a Key Club takeover, led by our own Key Club Advisor, Sharon Everett, and Sharon was ably assisted by Aaron Dang, Vice President of the Rosemont Key Club, Maia Hudson and Chloe Hargrove of the Rosemont club, and Jacob Everett of the Mira Loma Key Club. Sharon reviewed the history of Key Clubs in Kiwanis International, noting that the first Key Club was founded at Sacramento High School in 1925. Today, Key Club is the oldest and largest service program for high school students in the world, having more than 5,000 Key Clubs in 45 countries with more than 270,000 members who volunteer more than 13.5 million hours of service to homes, schools, and communities each year. The four Key Club values are CARING, CHARACTER BUILDING, INCLUSIVENESS, AND LEADERSHIP.

How does Key Club support the community? First, by raising funds. Key Club International has four preferred service partners: Children's Miracle Network, UNICEF, March of Dimes, and the Thirst Project. California-Nevada-Hawaii District has two additional initiatives: the Pediatric Trauma Program (PTP) and the YES! initiatives. This year, the PTP Program provided \$150,000 in grants to pediatric trauma units in hospitals, much of it raised by CNH Key Clubs. The programs also provide grants to local clubs for projects and to provide scholarships to Key Club leaders.

Kiwanis Club of Sacramento Suburban

Contributed By Chris Creelman

Key Club Takeover

The second way Key Clubs contribute is through service projects directly in students' communities such as park or neighborhood cleanups; safety programs such as CPR or bike safety training; and food, clothing, or resource drives for organizations such as food closets and Kiwanis Family House. Key Clubs have been Kiwanis Club of Sacramento Suburban, Inc. <http://sacramentosuburbankiwanis.org> July 15, 2023 involved in book drives, literacy programs, and tutoring and have supported other projects such as Special Olympics and Race for the Cure.

How is Key Club different from other service clubs? It comes down to community. Key Club is not just a collection house for service hours required to graduate; it is a family, an amazing, enthusiastic group of peers and friends much like Kiwanis. Sharon talked about her experiences in Key Club and how they changed her life, forcing her to get over her shyness and become a leader because she was working at something she loved and believed in. She and the current Key Club attendees talked about experiencing Fall Rally and District Convention and how you make friends for life in this organization.

For the 2023-24 year, Aaron Dang talked about how they want to grow their club, which was discontinued when schools shut down during COVID. They want to do more service projects and become more involved with Sacramento Suburban Kiwanis Club. Sharon closed the presentation by reviewing fundraising plans for PTP and by helping Division 44 South exceed the goals set by current Key Club Lieutenant Governor Enya Tran. The meeting concluded with a spirited auction for a custom-made BBQ basket produced by Sharon. Tony was the lucky winner for \$40 with funds added to the collection for the Key Clubs.

A belated thank you to our Key Clubbers from Rosemont and Mira Loma for the great job they did taking over the meeting on July 5th. We hope you will all join us again, and we promise not to make you work so hard next time. Good news! We have a member (Josh Yang) and a faculty advisor (Minh Viu) at El Camino! Josh is really excited to get the club back on its feet and is already making plans for Club Rush. Rosemont is doing a wonderful job of mentoring him and, I'm sure, will be a great help in growing this revived club this school year.

Region 16 had Colorsplash on July 24th in Elk Grove Regional Park. Many members of the Mira Loma and Rosemont Clubs were there, and Josh from El Camino got to see just how fun Key Club is! Messy, but fun. Afterward, there was a fundraiser at SomiSomi in Elk Grove for the Pediatric Trauma Program. Ice cream AND raising money for a good cause? Yes, please!

Kiwanis Club of Sacramento Suburban

Key Club

Mira Loma and Rosemont Key Clubs had a great event recently at the Kiwanis Family House. They made fleece blankets and cards for the residents and heard from Paula about all the good work the house does. Then, the two clubs got together the next week to make Spirit Sticks in preparation for Club Rush and Fall Rally North. It's great to see our clubs working together!

Mira Loma had a great response when they spent the day at the Freshman schedule pick up. Hopefully, this will result in many new members! We're getting ready to go back to school this month and adding those new members!

Installation of Officers and Board Members

Join us at 1 p.m. on Saturday, Sept. 23 at the Lagomarsino Cabana, as we install our incoming officers and board members. Past Installations at the Lago's have been fun and festive. Plan to bring sunscreen and something for the potluck and be ready to have a good time. We don't get together socially as a club with our spouses enough. This is a good one. Prez Caren will be passing around a sign-up sheet at the next two meetings with more info. Plan on attending and welcome new President James and the rest of the '23/'24 officers and board members.

There were craft tables for children to create their own Renaissance-themed works of art, including crowns, shields, magic wands, tunics. They also did woodworking, stone carving, painting, and much more. There were a variety of Renaissance characters, including a queen, a princess, a knight in shining armor, a wizard, and a troll guarding the bridge. Kiwanis Club of Rancho Murieta

Contributed By John Seigal

(Y)our Kiwanis Club of Rancho Murieta celebrates our nation's birthday by hosting a *Pancake Breakfast* for our community.

It is not a money raising event, rather it is meant to be a *break-even* breakfast gift.

Bronwyn Anthony authored this tribute.

We did it again! The Pancake Breakfast Committee, headed by **Angie Friedrich** and **Bonnie Shewchuk**, coordinated the work of Kiwanis members and friends and produced a delicious breakfast to kick off Rancho Murieta's 4th of July festivities.

Thanks, **Dia Utterback**, for the great photos on our Kiwanis of Rancho Murieta Facebook page.

Ray Lozada's kitchen staff worked like a well-oiled machine providing nonstop pancakes and accompaniments (with much-appreciated help from the **Rancho Murieta Country Club** for the scrambled eggs).

Thanks, **Virginia Wolfe**, for coordinating the in-person ticket sales and thanks to **Jeannette Edwards** for handling online sales on our website.

Thanks, **Pamela Haines**, for creating one hundred beautiful and fragrant lavender "wands" with Kiwanis information attached.

Lynne Erpelding's committee did a fantastic job with decorations.

Diann Swan, "the lady with the clipboard," did her usual magic of coordinating volunteers and their shifts; thanks!

Thanks also to Boy Scout Troop 633, the Rancho Murieta, Pleasant Grove, and Sheldon Key Clubs for their help with clean-up and other tasks.

Many others deserve to be thanked; you know who you are, and we thank you very much!

Greetings, Kiwanis Club of Rancho Murieta:

This year, Key Clubbers from Rancho Murieta, Sheldon High School and Pleasant Grove High School had a blast serving pancake breakfasts to numerous Rancho Murieta residents on the Fourth of July.

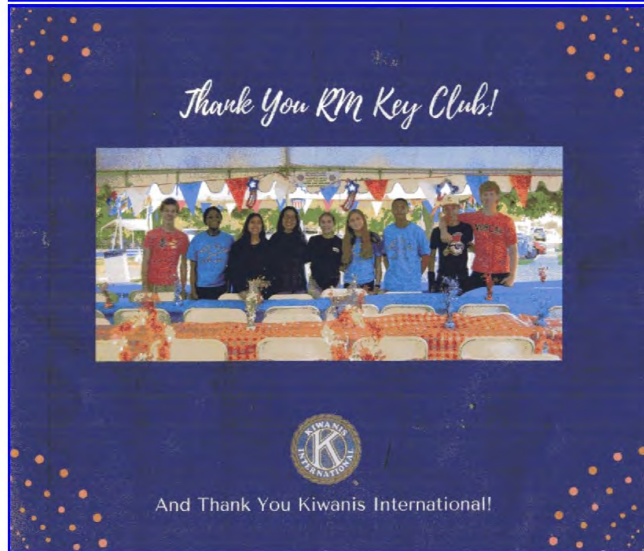

Kiwanis hosts an annual pancake breakfast to celebrate American Independence for our community.

This year, many Key Clubbers spent time generously volunteering to aid Kiwanis members with patriotic festivities, such as saturating the tables with seasonal decorations, providing food and beverages for Rancho Murieta residents, and much more!

It can be said that serving food was a great privilege, and being able to see countless families abide together, while consuming a delicious breakfast was also a delightful experience.

Key Club Rancho Murieta is truly grateful to Kiwanis members for always doing a spectacular job organizing this fun event. We were truly grateful to obtain all of the assistance we had this year, and hope to see you all again for another successful year!

Kiwanis Objects

Contributed By Michael Luciano

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Kiwanis International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.*
- To encourage the daily living of the Golden Rule in all human relationships.*
- To promote the adoption and the application of higher social, business and professional standards.*
- To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.*
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.*
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill.*

Division Inter-Club Meetings

Contributed By Michael Luciano

Inter-Club: An inter-club meeting is a meeting or activity staged by two or more Kiwanis family clubs including Division Council Meetings, Kiwanis Club, Circle K, Key Club, Builders Club, K-Kids, Aktion Club, Conferences & Conventions.

The definition of an inter-club was expanded from simply attending another Kiwanis club meeting to include attending **Fundraisers, Projects, Activities and Social Events of another K-Family Club.**

The broadened definition promotes more opportunities for fellowship, education and encourages greater interaction between **Kiwanis Clubs and our Service Leadership Programs:**

- **Clubs with 20 or Fewer Members need a minimum of two members in attendance to constitute an Inter-Club Meeting.**
- **Clubs with 21-30 of three members need a minimum of three members attendance to constitute an Inter-Club Meeting.**
- **Clubs with 31 or More Members need a minimum of four members in attendance to constitute an Inter-Club Meeting.**

Visiting groups shall be composed of a minimum of two Kiwanians plus members of K-Kids, Builders Club, Aktion Club, Circle K, or Key Club must be in attendance. A Lieutenant Governor can only be included if they are a member of the participating club.

Inter-Clubbing is a means of supporting **Kiwanis' Fifth Object**, which is **"To provide, through this club, a practical means to form enduring friendships, to render altruistic service, and to build a better community"**.

Through the fellowship gained by inter-club activities, members learn how other clubs function, get to know their neighboring Kiwanians, develop new ideas and a broader interest in how Kiwanis operates, find new ideas for use in their own club, and become better Kiwanians.

Inter-Clubbing creates fun and strong fellowship.
