Community Awards or Recognitions: \_\_\_\_\_

Unique Skill(s) you possess to be a Vice Governor: Authenticity, adaptability, creativity, resilience, leadership, service

Why you want to be a Vice Governor (100 words or less): \_\_\_\_\_

I want to be an effective leader that possesses strong communication skills. I will encourage the LaMissTenn membership to exchange ideas and initiatives to promote our clubs to invest in personal growth in order to strengthen communities. I want to display a sense of vision that will provide a future path to inspire others and give them the confidence in the LaMissTenn direction. I plan to inspire our organization by uncovering what drives our membership to success. Service has always been my goal in life which guides me to strengthen community and serve children.
