

What is Key Leader Weekend?

Key Leader is a leadership program for high school and graduating 8th grade students. It empowers teens to become more caring and confident leaders. Our mission is to inspire young people to do their personal best through service leadership.

A Kiwanis International certified instructor will lead classes as students learn skills essential to becoming values-driven leaders. They will connect with students from other backgrounds and experience what it means to be a team player.

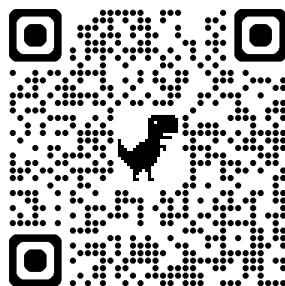

Real leaders know that working together and putting others first is the KEY to completing important projects. Participants leave having made lifetime friends who share their integrity and values.

SPONSORS

Anyone can donate money to help pay for students to attend. Any amount is appreciated. Donations come from Kiwanis clubs, businesses, churches, other civic organizations, and individuals interested in our youth. **Scholarships are available on a first come, first served basis.**
