Unique skill(s) you possess to be a Vice Governor:

My years of experince at the district level has allowed me to showcase skills in financial stewardship, governance and administration, and strategic planning.

Why you want to be a Governor-Elect (100 words or less):

I have a wealth of experience both at the club and District level. I am also a proud Key Club and Circle K alumnus. I helped open new clubs and served four years on the District Foundation Board. Each role has reinforced my belief that effective leadership begins with listening, careful stewardship, and a willingness to do the work that helps clubs succeed.

I want to bring a practical, service-first approach to the District Board as a Trustee. My goal is not simply to hold another office, but to continue a record of dependable service and help position our district for lasting success.
