“Together we turn books into scholarships, playgrounds and more!”

Thanks to a donation to the AAUW/Kiwanis Used Book Sale celebrating a Kiwanis member's recent event, we have acquired our own pallet jack. The jack is used to move pallets that weigh over 600 lbs. Paul Noser, shown above, arranged the purchase and set up of the new equipment. Thank you, Paul!

# WAYNE COUNTY SCHOOLS CAREER CENTER KEY CLUB

## KEY CLUB DISTRICT LEADERSHIP CONFERENCE

WCSCC had 4 students attend the Key Club District Leadership Conference in March. The students were engaged in a variety of breakout sessions and participated in a service project. During Key Club's District Leadership Conference, Matthew Anderson was awarded the Beacon of Hope Award by Kiwanis Governor Jason Miller.

The Beacon of Hope Award was designed to recognize Kiwanis Family members who not only exemplify the ideals of Kiwanis, but they are visionary, forward thinking and willing to go above and beyond to make an impact on those around them. They serve as a Beacon to others as a reminder to give of yourself simply by serving. They are proof that there is hope for the future of Kiwanis. Matthew also was granted a scholarship for \$500! WCSCC Key Club is finishing the year strong by making and donating personal hygiene bags for 180 and celebrating the teachers during teacher appreciation week.
