

Ames Noon KIWANIS

Bottle &
Can Drive

FEBRUARY

Organization of the Month

Ames Bottle and Can – 5820 West Lincolnway

Bring your redeemable cans and bottles to ABC in February and Ames Noon Kiwanis will receive a charitable donation.

ALL FUNDS generated through this February partnership will go toward a new playground next to the firetruck in Brookside Park.

We will partner with Ames Parks and Rec to select play pieces with a fire theme in honor of the popular firetruck.

We have secured over half of the funds for the playground but need to raise **\$35,000** more to meet the goal.

No cans and bottles? You can still help build this new playground!
