President Message

Greetings fellow Kiwanians around the world!

I am honored to lead our amazing Kiwanis Club for the next twelve months. This will be the third club that I have been President of, having served one term in the others more than a few years ago. However, having served on the Centennial board since 2017, I feel confident in the task ahead, and even more confident in the support of all of you.

We have much to look forward to this coming year as we have recently chartered a new Key Club, have finished selling out of our Kiwanis inflatables (101 sold to be exact!), are developing a new fundraiser that we hope everyone will join in on, have welcomed several new members with more coming, and we have some great programs planned for our meetings along with the addition of happy dollars and member bios.

As always, thank you for all that you do for the children of the world, and please don't hesitate to reach out to me or any of the board members to share your ideas and feedback.

In service,
Jim Janosik

Together, we're honoring loved ones and restoring forests.

Dear Alida,

This email is to let you know that our forestry partner American Forests planted your trees in memory of Albert "Jim" Dooley. American Forests work in partnership with local organizations in an effort to restore areas that are in greatest need.

Interclub with EOT on the 19th of September

Alida and Danielle attended the meeting of Eye of Tiger eKiwanis club on the 19th of September, 2022 on zoom.

The Zoom meeting was discussion about recruiting and engagement of membership virtually. The speaker was Past Kiwanis International President Jim Rochford, who wants helping to give an understanding of recruiting new members.

It was very interesting to ear success for clubs when they have projects. the public is aware what clubs are doing in comunities and wants to join. The other point is to share Kiwanis stories with family, nearboors, colleagues, friends.

Enthusiastic! What Kiwanis International Past President Jim Rochford is.

October birthdays
