July newsletter

### President message

It was truly wonderful to have so many of our club members gather in Minneapolis to celebrate and fellowship with one another. Our service project of building two Little Free Libraries was amazingly fun, and really tested some of our skills in communication and craftsmanship. Thanks to the Hudson, WI Kiwanis Club for donating books to fill the libraries. Once we know where they are installed, we will share that with you.

We also took some time to recognize our current board members, and I gave out some Certificates of Ridiculousness, which you can view in the photos. We welcomed new member Dennis Baugh, newly elected KI Trustee from the Capital District, sponsored by Kathleen Moylan. And of course, we got our big group photo and sold lots more pins throughout the convention. Speaking of pins, we need to start working on the design and theme for next year when our own Katrina Baranko takes the helm to lead Kiwanis International. If you have ideas or suggestions, please send those my way by July 30th so we can review at our August meeting.

Sincerely,  
Jim Janosik

membership certificates are given to members who joined after in person meeting last year.

Little library project

# Meeting in person

Congratulations to our club member Kelly Beegle Kopp and her new husband Doug Kopp on the occasion of their wedding!
