President message

As our Kiwanis years draws to a close, I would like to express my gratitude for the opportunity to lead the most dynamic and global group of Kiwanians through another year of fellowship and service.

This past year we introduced happy dollars as a way to enhance our fellowship and sharing at club meetings, which also had the byproduct of helping us raise admin funds. We created a new fundraiser, "An ICONic Vacation Raffle" which raised service funds that we used at ICON to build two Little Free Libraries, another new service project for the club.

We had some great meeting programs too, including hearing from our Reach Academy Key Club members, having a holiday party with Pennsylvania Aktion Club members, and of course hearing from all three International Presidents, Lillian, Tyler, and Bert.

Coming into October we welcome some new-to-us members, Rick and Ellen Arnold, transferring from the Lebanon, PA Kiwanis Club. We also welcome some folks from the Glenside, PA Kiwanis Club that our board recently approved to work on merging in with us as the transferring members will continue local service through sponsoring a Builders Club, Key Club, and Aktion Club.

Change is inevitable, even in our club, and I for one am glad that our members are receptive to it.

On October 1 we will welcome our club's first female president, perhaps one of the most dynamic and capable leaders in all of Kiwanis, Kathleen Moylan. Almost certainly, Kathleen will usher in new opportunities for our club to grow in fellowship and impact, and I appreciate everyone's support of her in doing so.

Thank you all for a wonderful year, and thank you most especially for all that you do for the children of the world!

Sincerely,
Jim Janosik
