Happy New Year Centennial Kiwanians!

OK, before you begin to think that Coop has gone off the deep end...I know it is October 1st and not January 1st. So, I am wishing all of us a Happy Kiwanis New Year. As I mentioned at our board meeting last month, our Immediate Past President Danielle did an outstanding job. She led us passionately and with the levity that is needed to ensure we are focused but having fun while we are serving. Thank you Danielle.

I hope to continue leading our club in that manner.

Most of you know, I like to have fun and sometimes at the expense of others, meaning I like to pick on our members. Laughter can cure many things, so hopefully we can all laugh during our meetings and throughout the year. I know that our Vice-President, Val will provide us with great programs. If anyone has suggestions for programs I know Val would love to hear from you. We are going to have a great year laughing and serving the children of the world. I am open to any suggestions you might have to make our meetings more valuable. I look forward to seeing you on "Hollywood Squares" at our first meeting on October 14th. Thanks for all y'all do for Kiwanis and the youth we serve.

Yours in Service,
Coop
