November 2025 Newsletter

Hey Y'all!

I hope this finds everyone well as we transition into our new Kiwanis year. Our service never ends. November is the month we celebrate all that we are thankful for and let others know how much we care for them. I am very thankful to each of you and to your commitment to children in your community, state, and around the world. We have to continue to serve, most of the time without knowing if what we did made a difference. That is Kiwanis.

I challenge everyone to think outside the box and come up with different ways we can serve the children. An example would be what Fred Dietz has done with Twinkles the Therapy Dog visits. (Please see more about Twinkles below my article.) When you come up with ideas, please send them to me, and we will bring them up in a future meeting.

Happy Thanksgiving!!

I will end this article with my standard written correspondence sentence.

Thanks for all y'all do for Kiwanis and the youth we serve.

Yours in Service, Coop
