

LaMissTenn Needs You!

LaMissTenn District Committees/Taskforce

This year the district board is opening up **opportunities for club officers/members** to serve as a co-chair or member of one of the district committees or this year's taskforce. Below is a description of each committee and a link for your students to apply. The committees will not require any travel and will be done online only. **Please help us share the word with your students.**

The directives for each Committee are linked below:

- [Service/Preferred Charities Committee](#)
- [Governor's Project/Fundraising Committee](#)
- [Conventions Committee](#)
- [Membership Development Committee](#)
- [K-Family Committee](#)
- [DEI Taskforce](#)

Here is the application:: <https://forms.gle/TGrfZyLRZ2e6rABT8> **They are due July 20.**

Lieutenant Governors Still Needed (last chance)

The LaMissTenn Key Club District recently adjusted their division maps to match those of Kiwanis. Please take a look at the [map](#). Some divisions have been combined while others have been rebranded (for example, E- East, W-West, N-North). Based on the new maps, **we still need Lt. Governors** for the following divisions: **1C, 3, 6, 8W, 9, 10, 11, 14SE, 14SW, 15, and 17.**

If you have a student interested, please contact Danny Williams at lmtkcdadanny@gmail.com or Governor Sameen at governorlmtkcsameen@gmail.com *They would need to complete an online LTG training and attend the next board meeting in Tupelo, MS - July 26-28.*

****If your club is not listed under a division, please let me know and we will add your club.**

LTG at Large

This year we are piloting the use of **Lieutenant Governors at Large**. These would be Key Clubbers whose home club is in one division, but will serve as the liaison for another division or divisions. Their main jobs will be to communicate with the clubs and officers in the assigned division and work on the district board. *They would need to complete an online LTG training and then attend the next board meeting in Tupelo, MS from July 26-28.* Also, they should not be a major officer in your club so that they can focus on LTG responsibilities. If you have a student who has leadership potential, interest in serving on the District Board, and ability to attend the Tupelo board meeting, please let me know (lmtkcdadanny@gmail.com) or have the student contact Governor Sameen (governorlmtkcsameen@gmail.com) **We would need to know of their interest as soon as possible so that we can send them an application.**

Service leadership model

The experience of service leadership is the primary objective of Kiwanis Service Leadership Programs. Service leadership is a powerful force. In fact, it's the premier level of social contribution.

The service-club experience prepares people to become the most engaged members of their communities — now and in the future.

Advisors play a key role in helping members grow in these areas. A service club can provide experiential opportunities for members to develop in many ways, sometimes without any added educational intervention. However, most members will develop more when adults—people like you—take time to notice and comment on key behaviors and choices.

Serve
Lead
+ Engage

Service Leadership

Overall, Kiwanis Service Leadership Programs make our global community stronger by not only providing service to those in need, but also enriching the lives of those members who serve in profound ways. As an advisor, you're a guide, a coach and an educator. Your role can be a powerful one in the growth of the next generation of service leaders. (Advisor's Guide, 2022)

Thank you for that commitment to your community.

Dues Increase

At the last Key Club District Convention, the delegates voted to increase District dues **from \$6.50 to \$7.00/year**. International dues are also \$7.00 a year. There is a proposal to raise International dues by \$3.00. It will be voted on at the International Convention this summer. Last year, a similar proposal did not pass.

Reports from Key Club International

Here are links to reports about Key Clubs found on the Kiwanis website. Find the LaMissTenn District and then your club. Check your status to be sure you are considered Active. It is not, it is not too late to keep your club from becoming "Suspended". Please let us know if you have any questions.
