

HOW TO ACCESS KIWANIS YOUTH PROTECTION ONLINE COURSES THROUGH PRAESIDIUM ACADEMY

Tips:

- Use the same email you have on file with Kiwanis to ensure your courses are recognized.
- Most courses work on mobile devices, but they are easier to navigate on a desktop or laptop computer. The course “Preventing Sexual Activity Between Adolescents” does not work well on mobile.
- There are courses available in English, Spanish and French.

Please find your Kiwanis role in the table below to determine which courses you will take.
