

## *End of Summer Edition* *July 2025*

**Welcome back** to another year of exciting opportunities through Key Club. The world's largest student-led high school service and leadership organization that is 100 years old. It is great to be a part of this organization that helps thousands of students each year develop their leadership abilities while providing service to their home, schools, and communities. **Thank you** to our advisors who make that happen each year. Without you, there would not be this opportunity for the students at your school. Please let us know what we can do to support you in this process. This newsletter is designed to provide resources and support for you - the Advisors! Our MVPs!!
