President's Corner:

Hello fellow Day Makers!

September – my last month as your club's President. The year has gone by fast.

My goals for the year were to increase membership by 8 people and have every member on at least one committee. We were able to add 2 new members but will be losing a few members. Many service clubs are struggling with membership. Please continue to invite people to our meetings and/or service projects. Service projects don't happen without committee chairs and their members. Thanks to everyone who helped this past year.

Thanks for all your support with K dollars. For the third year in a row our club contributed the most at the district convention.

I hope you've enjoyed the song lyrics I have been sharing at the end of our meetings. I started by sharing lyrics associated with children but transitioned to other topics as the year progressed. I hope I've been able to expand some of the songs you might listen to.

At the end of my term I now have a much better understanding of what a Kiwanian is.

Thank you !

Janet
