Program 07/31: Betty Roberts: Reads fun poetry and shows slides of this year's Mergin Vision show at the Patterson Arts Center.

Program 07/24 Balloons with Sam: Balloon artist in North Texas

Balloons with Sam

Thanks to Balloons With Sam, we got to go back to our childhood party games at our July 24 meeting.

When Sam learned that Ken Reedy would become president in October, he made him a balloon crown. Sam said he likes to match hats with people's personalities.

We all got blue or red balloons and learned how to fold, squeeze, and twist a balloon into a dog or flower. The most fun was when the whole group twisted our balloons into a huge party blob.

Sam said by showing audiences from 1 to 100 balloons, he lets them know "in life there are far more possibilities than impossibilities."
