Last Week's Program Scrabble, Ken Reedy

Beginning his talk by passing out *Scrabble* tiles to all in attendance, past president Ken Reedy told our club Aug. 26 that the popular word game teaches players to stay the course and have a purpose.

The game can show "if you've got something nice to say, share it," Reedy said.

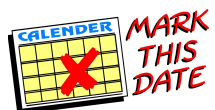

After giving the group some *Scrabble* trivia, such as the game has 100 tiles and the highest score ever achieved was 850, Reedy shared his background in Denton.

His great-grandfather helped lay the water and sewer lines in Denton, making him responsible for Denton's messed-up roads, Reedy joked. His grandfather, who went by the nickname R.T., also delivered ice to Denton residents.

Speaking to the club on his 62nd birthday, Reedy said he was the first Reedy in Denton to graduate high school and attend college. Growing up, he had several mentors, including his neighbor Carl, who told Reedy about the Ten Commandments. His next-door neighbor Ricky ministered to his family when Reedy's parents' marriage fell apart and invited Reedy to go to church with him.

Another neighbor instilled a positive mindset in Reedy and introduced him to BMX racing. Reedy won 13 events in BMX.

One of Ken's mentors and best friends, Greg, is in the hospital with West Nile Virus, and he asked for prayers. On Sunday, Reedy said Greg's blood pressure and heart rate are good, but his main issue now is an on-again, off-again fever and how to treat ongoing pneumonia.

Reedy quoted several Scripture verses, including James 1: 2-3: "Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance."

He ended his talk by thanking club members "for your leadership, fellowship, and mentorship."

We need to enlist at least 3 new members before Sept. 30 to reach our goal of a net increase of 2. Who do you know who would be interested in working with us to benefit the Children of the World? See Bill Watson for an application to give to a prospective member.
